

# Setting Priorities

## Process

- (1) Think through and write down your individual priorities, past and present,
- (2) Walk each other through your lists explaining your priorities and why they are important to you,
- (3) Gently challenge each other's to ensure neither of you are over-reaching,
- (4) Revisit your priorities at least once a month.

<b>Partner 1</b>	
What were your work/life priorities prior to the current crisis? • • • • • •	What are they now (for the next month)? • • • • • •
<b>Partner 2</b>	
What were your work/life priorities prior to the current crisis? • • • • • •	What are they now (for the next month)? • • • • • •
